

# Travis AFB Spouse & Family Emergency Preparedness

***Have a plan! Be prepared! Be ready to go!***

Protect your family, pets, and belongings by being informed and having a plan!

# 1

## PLAN & PREPARE

### Pack your "Go Bag"

Keep lists on the back of closet doors of what to pack in a hurry!

Take photos of belongings & valuables

Have a list of hotels in different cities that can accommodate your family & pets

Follow guidance given by the base if financial reimbursements are authorized for hotels in the event of an evacuation

Check your insurance policies to know what is covered in an emergency

Make a plan to communicate with family members if separated.

Be familiar with all base gates to be prepared for alternative exit routes.

Obtain a map of the local area. Have hard copies of mapped routes ready to follow

# **EARTHQUAKE READY!**

## **PREPARE!**

- Fasten shelves to walls
- Store flammable products securely in cabinets
- Choose a “safe place” in every room
- Store breakable items (china, glass, etc.) in a low closed cabinet
- Hang heavy items away from beds, couches, or anywhere people sit.

## **ACT!**

- Drop, cover, and hold on
- Stay indoors until shaking stops
- Stay away from glass doors & windows
- If in bed, stay there with head covered
- If outside, move away from buildings, streetlights, utility wires and stay put until shaking stops
- Know where your shut-off valves are for utilities
- Be mindful of foreshocks and aftershocks
- Beware of opening and closing cabinets afterwards
- If in a vehicle, stop quickly and remain in vehicle. Avoid stopping under overpasses, trees, or utility wires
